nportant notes						
1. To ensure all health facilit	ies within the DHA are designed and built to a high standard, DHA will enforce compliance with all requirements as set out in the Health Facility Guidelines. Practically this means all design aspects are to comply with the Standards and Guidelines as listed in Part A of the					
Health Facility Guidelines. However, there may be circumstances where compliance is difficult or impossible - only in those cases DHA will allow the applicant to propose alternative solutions. This Non-Compliance Report in no way provides an opportunity for the designer to make the health facility						
	compliant with a Standard / Guideline than prescribed by DHA.					

2. Any rejected non compliance reason will be listed by DHA HRD in the Schematic submission review report and/or Detailed Submission review report as applicable.

3.. By signing the Deliverables for Schematic / Detailed Submission Form the Applicant confirms the list of non-compliances for both the deliverables and the design as listed in the Report is complete.
